Reviews

I wouldn't change my wedding experience for the world. Michelle and her team are incredible at what they do. Michelle only keeps the best waiters on staff. They find a way to say yes to everything. They went above and beyond for every single guest that came. All of my guests will not stop talking about how wonderful our wedding was. Michelle is a dream come true. Ivy is amazing. Liese far exceeded my expectations for flowers. I owe every thank you in the world to them! I love Altitude Hospitality Group!

Ashley

The Pinery was the PERFECT place for our wedding! We worked with Michelle, who was an amazing coordinator and helped us plan every aspect of our wedding. Not only is it in a beautiful location overlooking downtown Colorado Springs and Pike's Peak, but we loved that The Pinery was pretty all-inclusive which made wedding planning easy! The package comes with the ceremony and reception venue, catered food and drinks, cake, flowers, DJ and access to the bridal suite/groom's lounge. Our guests loved the appetizers, dinner, cake and dessert bar. We planned the wedding from out of state, and Michelle and her team made wedding planning incredibly easy from afar and when we were in town. The Pinery has plenty of parking for guests, and some nearby hotels (of which there are plenty!) provide a free shuttle to The Pinery. Our wedding was exactly what we wanted: high quality and great location, with staff who are excellent at what they do. The Pinery is also very transparent about their costs, and since we got married in the off-season, it was great for our budget! I would highly highly recommend anyone have their wedding here!

Evelyn

If I could have given The Pinery ten stars I would have! Literally every detail was perfection. Michelle was our wedding coordinator, and she truly CRUSHES her job! I had zero wedding stress leading up to my day because everything was in order already since most everything is done in-house. The food was phenomenal, we had people tell us that it was the best wedding cake they ever tasted and one of the best weddings they've ever been to. It was the wedding of my DREAMS and I can't thank The Pinery enough and cannot recommend Michelle and her entire staff enough! Have your wedding!

Abby

We could not have done it without Michelle and the team at The Pinery. Michelle thinks of every detail you could possibly imagine! We planned our wedding day in less than 5 months. It was truly a stress free process and day! We had so much fun! Our guests still talk about DJ Carson, the food, the cake, the lovely flowers, and the ambience of the venue. AND, the photo booth was a hit! We could not thank The Pinery at the Hill for a better wedding day experience! I would do it ALL over again! Thank you.
